

DeForest Amateur Radio Club

Membership Application

We hope you will join/re-join the DeForest Amateur Radio Club!

The most important reason is that you will join other area ham operators who have similar interests. Not everyone wants to “rag-chew”, not everyone wants to contest, not everyone wants to participate in Field Day or other special events, not everyone wants to use the club repeater, and not everyone wants to take part in picnics and dinners. But some do. And we’re hoping you want to be part of our ham radio experience, part of our family, part of our club history. We hope you will renew your DeForest Amateur Radio Club membership this year.

Membership levels

Family membership - \$20 per year

Family members who currently live in the same home can be members for one fee, \$20 per family. The Family membership is the best selection for most families consisting of two or more who wish to join the club. The maximum fee for a family is \$20. All licensed Hams are then Full members, un-licensed members are Associate members.

Full Member - \$15 per year

Full Members have all voting privileges allowed by the constitution and by-laws.

Associate member - \$5 per year

Associate members have no voting privileges and cannot hold an elected office in the club; however, an Associate member can be appointed an office by the club President, if necessary.

Military membership - free

Any Adams County licensed Ham who is serving full time in the U.S. Military is eligible for a free membership.
